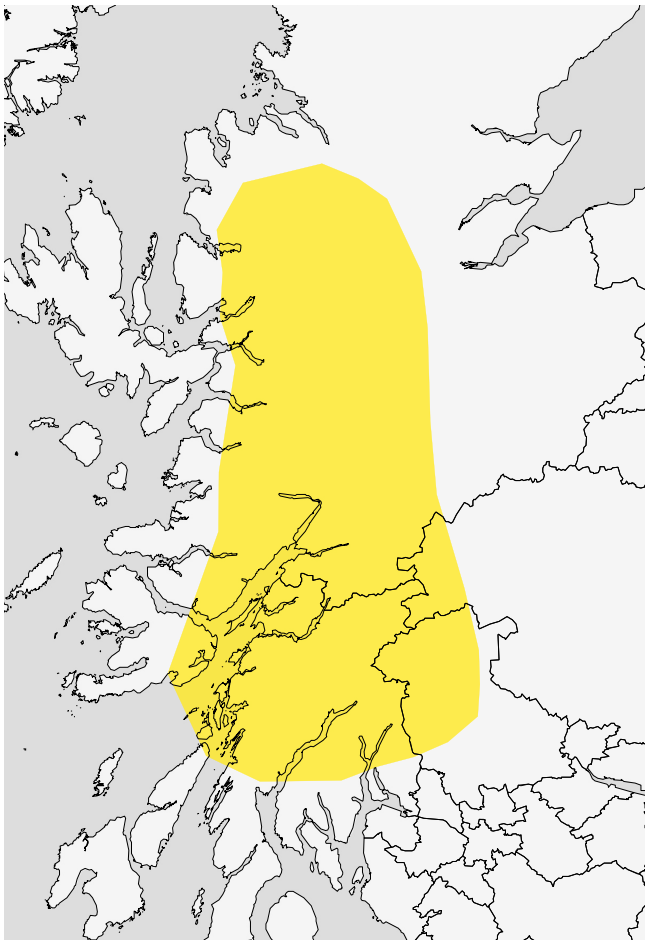
Yellow warning
Rain

Between
00:00 Tue 17 Nov 2020 and
15:00 Wed 18 Nov 2020



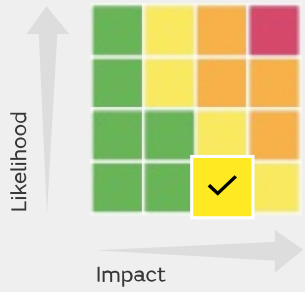
Heavy and prolonged rain is expected through Tuesday and much of Wednesday. Flooding is possible in places along with disruption to travel.

What to expect

- Bus and train services affected with journey times taking longer
- Spray and flooding on roads will make journey times longer
- There is a small chance that some communities become cut off by flooded roads
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings

Further details

Rain will persist throughout the day, turning heavy at times, with heaviest rainfall over high ground. There is some uncertainty with the timing of the clearance of the rain, which has implications for overall rainfall amounts. By Wednesday afternoon 50-75 mm of rain will fall widely with up to 150 mm possible in a few locations over high ground.



Very low likelihood of medium impacts
